JACKSON...

- a wonderful place to live
- a prosperous place to work

Jackson combines the advantages and attractions of a metropolitan city with the hospitality and neighborliness usually found only in smaller communities. As one of the South's most progressive and fastest growing cities, Jackson provides the cultural, educational, religious and recreational facilities conducive to happy homes and well-rounded living.

Few cities have a more favorable growth potential than Jackson. One major reason for our city's bright future is the fact that Jackson is rapidly becoming a Metropolitan Center for all of Mississippi.

Many dedicated people throughout Mississippi have had a part in building the City of Jackson. Without this spirit of co-operation between our municipal officials and employees and our citizens, Jackson would not be the clean, attractive and progressive place it is today. With such co-operation and community effort, Jackson is sure to enjoy continued growth, progress and prosperity. This is the common goal for all of us.

Tonight's Game

Tonight's game brings together two of the most colorful "small" college football teams to be found anywhere. Their meeting climaxes "Fiesta Week" in the Capitol City and brings to an end one of the greatest promotions of international relations ever staged.

Special thanks go out to the Jackson Chamber of Commerce, the Downtown Jackson Association, Jitney Jungle, Inc., McRaes, and other stores in the local area who helped back and support this good-will building contest. Without their help it could not have been a success.

The game will be the season opener for both teams and will be their ninth meeting over a span of many years. The Choc-Pumas series dates back to 1929 when Coach Stanley Robinson took one of his many Choctaw squads to Mexico City and returned with a 28-0 victory. Since that time they have met on seven occasions with the Braves holding a 5-3 edge in victories. During the Pumas' last visit to Jackson, in 1954, they edged the Chocs 19-13 at Newell Field, but the Clinton based lads will be out tonight to prevent another such occurrence.

Coach Hartwell McPhail's charges could probably be labeled slight favorites in the game based on the 1961 performances. Last year the Baptist posted an 8-1 won-lost record to give them their winningest season since 1927. The Pumas finished '61 with a .500 record of five wins and five losses.

Leading the Choctaw backfield tonight will be a prime candidate for Little All-America honors, senior halfback Benson Holland. Charles Garrett will be calling signals at the quarterback slot, while James Merritt will start at wingback and Clem Stovall at the fullback position.

In the line the Braves will have an all-lettermen group. At the ends will be Paul Pounds and Mike Vinson, at the tackles Bob Bobo and Jimmy Jenkins, at the guards Dewey Herring and Bill Bobo, and at center Jimbo Robertson.

Leading the Pumas offensive attack will be fullback Luis Acosta, who averaged 4.2 yards in 82 carries last year. Top stalwart in the Mexico line will be team captain Jose Armendariz, a 170 pound center with five years of experience with the Pumas.

Settle back and witness international football at its finest. We hope you enjoy the game.

These two lovely Fiesta Queens were selected by their respective schools to represent them during "Fiesta Week". They have been ambassadors of good-will to the people of Jackson, speaking to a host of civic clubs and telling them of the long relationship between the two colleges. Mexico's "Miss Fiesta" has been the guest of Mississippi College for the past week and has represented her country well. May the international spirit which they have helped create continue long after the game has ended.
